

### Call for paper

IEEE Bangalore Section & WIE AG Bangalore Section are organizing **5th IEEE international Women in Engineering (WIE) Conference on Electrical and Computer Engineering 2019 (IEEE WIECON-ECE 2019)** in collaboration with IEEE Bangladesh Section and WIE AG Bangladesh Section . The conference will be hosted on 15<sup>th</sup> & 16<sup>th</sup> November 2019 at Bangalore, India.

The conference aims to bring together leading academic researchers and research scholars to exchange and share their experiences and research results on all aspects of Electrical Engineering and Computer Science. It also provides an interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Electrical and Computer Engineering. With the view to encourage participation of women scholars, each paper should have at least one female author.

**Topics of 5th IEEE WIECON-ECE 2019 include but are not limited to:**

- AI, Computer Networks
- Antenna, Microwave & RF Engineering
- Biomedical Engineering & Bioinformatics
- Blockchain
- Cloud, Big Data & ICT
- Computer Architecture & Systems
- Computer Vision, Graphics & HCI
- Cyber Security
- Data Science
- Devices, Materials & Processing
- Electrical Machines & Drives
- Humanitarian Technology
- High Performance Computing
- Internet of Things
- Nano & Semiconductor Technology
- Performance measurement and modeling
- Photonic Technologies & Applications
- Power Electronics
- Power System & Renewable Energy
- Real World Applications
- Robotics, Control & Automation
- Service-oriented architectures and integration of clouds, clusters, and distributed computing
- Cloud security and identity management
- Software & Database Systems
- Software Engineering
- Telecommunication & 5G
- VLSI Circuits & Systems
- Virtualization and virtual machines
- Wireless & Optical Communication

All honorable authors are kindly encouraged to contribute to and help shape the conference through submissions of their research papers. Also, High quality research contributors describing original and unpublished results of conceptual, constructive, empirical, experimental or theoretical work in all areas of Electrical and computer engineering are cordially invited for presentation at the conference.
